3 BLUE BOX

Back-up

Includes all consumables:
cable/lugs/fuses/connectors + Distribution Box
AC + DC for all combos

Multi+ 48/5000/70-100

Uninterrupted AC power (UPS function)
In the event of a grid failure, or when shore or generator power is disconnected, the inverter within the Multi is automatically activated and takes over the supply to the connected loads. This happens so fast (less than 20 milliseconds) that computers and other electronic equipment will continue to operate without disruption.

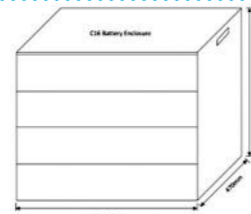

**5kVA
inverter**

**Deep Cycle
battery**

Combo Includes

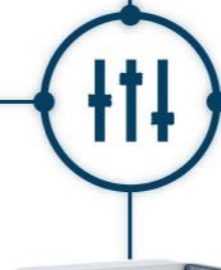

**Complete
solution**

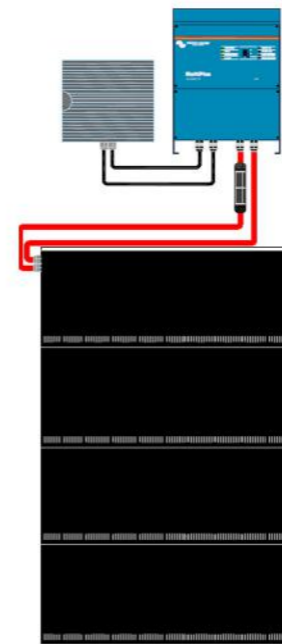

Deep Cycle Batteries
100Ah x 16

Battery Cabinet x 1 for:
100Ah x 16
